PLUS Shower Seat

PR7634

Product image

Description

Bathing solution suitable for wall-mounting or for fitting to PLUS wall tracks.

This shower seat is electrically height-adjustable by 500 mm, without the use of tools. The back and the seat move together, whilst the armrests are adjusted manually.

The armrests are coated in non-slip SEBS material that provides expert grip.

The seat and armrests can be folded up when not in use to maximise space.

Available in a number of different colours.
